Navigate Bible Conference

March 31- April 1

Covenant: God's Means of Grace to Reach a Broken World

Ever since humanity rejected God's intention in the Garden of Eden, God has graciously been engaged in a plan of redemption. His plan is the solution to the curse that humanity and the world are under, and it seeks to restore the Shalom he intended humans and the world to live in.

The framework of this plan is a series of covenants, outlined in the Old Testament. Through these covenants, God revealed himself and his intentions for people and for the earth. These covenants reach their culmination in Jesus, son of David and the Son of God.

You are invited to join us at Steinbach MB Church as Dr. Daniel I. Block teaches on *Covenant: God's Means of Grace to Reach a Broken World*. This conference is open to all registrants. To register for this conference, see the link in this week's email.
